

Vertiv™ Avocent® AutoView™ Switch for Dell Plug-in for Avocent® DSView™ Management Software

Release Notes

VERSION 1.31.0, AUGUST 10, 2020

Release Notes Section Outline

1. Enhancements
2. Notes

1. Enhancements

This release added support to enroll the appliance in the Avocent® DSView™ 4.5 management software [Service Pack 10 (SP10) or higher] with 2048-bit certificate.

2. Notes

This plug-in requires the following:

- Java 8-based Avocent® DSView™ 4.5 management software, Service Pack 10 (SP10) and higher.
- Avocent® AutoView™ switch for Dell firmware version 2.4.3.
