Cybex™ SC Switching System Driver for Multi-Display Support

Technical Note for SC 800/900, SCM 100 and SC KM 100 Series Switches

APRIL 22, 2020

Important Note Regarding the Driver for Multi-Display Support

This driver was needed for Microsoft Windows 7 and earlier; however, Windows 8.1 and Windows 10 computers with the latest updates from Microsoft do not require this driver. Since Microsoft ended support for Windows 7, this driver is now removed.
